Proddatur, Kadapa, Andhra Pradesh - 516360, India

PROFILE

Results-driven Digital Marketing professional with 2 years of hands-on experience planning, executing, and optimizing SEO, SEM, social media, and paid advertising campaigns. Proven track record of improving organic visibility, driving qualified lead generation, and translating business goals into data-backed marketing strategies. Skilled in keyword research, on-page/off-page SEO, content marketing, and performance analytics, with a strong ability to collaborate cross-functionally with design and content teams. Seeking to leverage proven campaign management and analytical skills to drive measurable growth in a dynamic, growth-oriented organization.

PROFESSIONAL EXPERIENCE

Digital Marketing Executive | SNIS Company

2 Years

- Planned, executed, and managed end-to-end digital marketing campaigns across SEO, SEM, social media, and paid advertising channels, contributing to consistent growth in qualified traffic.
- Implemented on-page and off-page SEO techniques — including technical audits, metadata optimization, and backlink strategies — improving organic search rankings and driving sustained organic traffic growth.
- Conducted in-depth keyword research and competitor analysis to uncover growth opportunities, refine targeting, and continuously improve campaign effectiveness.
- Tracked and analyzed campaign performance using Google Analytics, Google Search Console, and SEMrush; prepared actionable reports for stakeholders to guide strategic decisions.
- Managed and optimized PPC and Meta Ads campaigns, balancing budget allocation and targeting to maximize ROI and lead quality.
- Partnered closely with design and content teams to develop marketing creatives and campaign assets aligned with brand identity and objectives.
- Drove measurable improvements in website traffic, user engagement, and lead generation through continuous, data-driven optimization of marketing strategies.
- Mentored and supported junior team members on SEO fundamentals and reporting workflows, contributing to overall team productivity.

KEY PROJECTS

GetMyCollege | Education Technology Platform

Off-Page SEO & Lead Generation Initiative

Contributed to GetMyCollege, an education-focused platform connecting students with the right colleges and courses, through strong Off-Page SEO strategies and paid marketing campaigns aimed at generating high-quality student leads for admissions.

- Executed Off-Page SEO activities including strategic backlink creation, guest posting, and directory submissions to strengthen domain authority.
- Conducted targeted keyword research to identify and capture high-intent education-related search queries.
- Improved website visibility and search rankings through consistent, quality-focused link-building strategies.
- Generated and nurtured student leads for multiple partner colleges across Bangalore and surrounding regions.
- Built and maintained performance dashboards and reports covering SEO and paid campaign metrics.
- Delivered a steady pipeline of student leads by combining organic SEO efforts with targeted Meta Ads campaigns.
